From Kirsten

Good Morning Saturday Marketers!
Happy Founders Day! Today we celebrate the individuals that came together in May 1970 and created The Saturday Market...a vibrant and successful market for local artists, craftspeople, musicians and chefs to connect with the community and share their talents. Fifty years later we are still at it! There are displays on the West Park Block that were created to honor our founders and to educate members and the public of the history of the Saturday Market, Farmers Market and the local art scene. Please take a moment to stop by and see the displays.

It is also the Mother's Day Giveaway today. Be sure to tell your customers to put their name in the basket at the stage. We will be doing drawings at 11 am, 12 pm, 1 pm, 2 pm and 4 pm. The only rule is you must be present to win. If you have something you'd like to donate to the giveaway, please bring it to the stage. All donated items will be given away, so let's make this the biggest giveaway ever!

As some of you may be aware, the City of Eugene has taken ownership of the Butterfly parking lot. The change became effective last weekend. With this change the price for parking has increased to \$8 per day. The parking payment machine can be complicated. You must first put in your license plate number, then select the amount of time and then you'll be prompted to make payment. Additionally, this parking lot is slated to be torn down in the future to make way for the new City Hall building. I will do my best to let you know when that is expected to happen. As a reminder, there is free parking all day at the Overpark at 10th & Oak and the Parcade at 8th & Willamette.

Enjoy the sunshine today. It should be an amazing market.

Happy Selling!
Kirsten

Consider Running for the Board of Directors!

It's time to consider running for the Market's Board of Directors. Election day is June 8th. Three eighteen month positions will be open. Deadline for candidate statements is Wednesday, May 22nd. You must attend one Board meeting in the 12 months before the election. The next Board Meeting is June 5th at 5:15-7:15 p.m. at the Market Office.

Founder's Day is Today!

On May 9th, 1970, 29 crafts people brought out their handmade wares to be greeted by curious customers in the alley next to the Oak Street Overpark. Thus began the Eugene Saturday Market. Now, in our 50th season, we continue to uphold the values and ideals set in motion by our founder Lotte Streisinger.

Diane McWhorter (Ephemeria, Space #120) has graciously taken on the role of market archivist. Today she will have a display set up next to her space with our history as well as artwork by Lotte. Please stop by and learn about the history of your market.

The courthouse plaza has been transformed! The unofficial 4th park block of market is now official! Two weeks before opening day, the City of Eugene came to Saturday Market and Farmers Market with a surprising proposition. They offered both markets the opportunity to add more spaces on the sidewalk surrounding the Wayne Morse Free Speech Plaza. They also wanted our help expanding the Downtown Activity Zone to include the Wayne Morse Plaza. This means the city now oversees the space. Because the courthouse plaza is now in the Downtown Activity Zone (DAZ), vendors can buy a \$25 permit and vend anywhere within the DAZ (which includes Ken Kesey Square and other downtown locations) seven days a week. It should be noted that the regulations are different for DAZ selling permits than they are for Saturday Market membership.

The difference in activity over on that block is wonderful. The view from my booth on Oak Street is so different now. There are Farmers Market booths full of green life, and colorful Saturday Market booths with art and clothing etc. The center of the plaza is easy to see, with only tables and blankets for those vendors. With the \$25 DAZ permit, those vendors are allowed to sell whatever they choose (as long as it is legal!). It doesn't have to be handmade. The distinction between these vendors and Saturday Market and Farmers Market is clear, and it feels like a separate yet inviting space. The vibe is more family friendly. It is a good compromise and a real change for the better.

The Saturday Market and Farmers Market folks who have chosen to be pioneers of our new space have my respect. It is a risk to move onto a whole new block. They seem to be integrating well, with customers coming and going from all four downtown blocks. Still, I make it a point to shop at the Farmers Market booths that are on that block. It is new territory for them, and I want to reward them for making the change. It's important for all of us that the booths on the fourth block be successful and happy with their location, because their presence improves the atmosphere of all of the Saturday downtown blocks.

I encourage all of us to shop and visit the Farmers Market and Saturday Market booths on the courthouse block, and encourage our customers to go there and shop and browse.
