From Kirsten

Good Morning Saturday Marketers!
Welcome to another fabulous Saturday Market. Today is going to be beautiful and that brings out the shoppers!
With Mother's Day next weekend try and focus your sales efforts around great gifts for Mom! You can also recommend a gift card if the shopper can't make up their mind. The Market still needs donations for the Mother's Day giveaway. We give prizes away at 11 am, 12 pm, 1 pm, 2 pm and 4 pm. Visitors will put their name on a piece of paper and put it into the entry box by the stage. The only rule of the giveaway is that the winner must be present to win. The more prizes the better. Whatever is donated will be given away. We also have the Founder's Day celebration next weekend. We need volunteers to staff the Founder's Day Display on the West Park Block deck. If you have an hour or two to spare, or know someone that does, please contact me at the info booth or in the office during the week.
Parking is still a major area of concern. We know that everyone is in a hurry to end their day, but please don't park early, too long, illegally, or become angry when approached to move your vehicle. We must work together and exercise patience at the end of the day. Priority should be given to outer booths to leave first. This allows the inner booths to have access to their cars once the outer booths are gone. So please give way to the outer booths first.
Please remember that, in the grand scope of things, we are only in this magical space for a small amount of time every Saturday, so be kind and kindness will be returned to you!

Happy Selling!
Kirsten

Consider Running for the Board of Directors!

It's time to consider running for the Market's Board of Directors. Election day is June 8th. Three eighteen month positions will be open. Deadline for candidate statements is Wednesday, May 22nd. You must attend one Board meeting in the 12 months before the election. The next Board Meeting is June 5th at 5:15-7:15 p.m. at the Market Office.

Mothers Day Giveaway

It's that time of year again! Our super popular and fun Mother's Day Giveaway will be held at the stage on May 11th. We need donations from members to hand out as prizes every hour. Please make sure to include a business card or a label with any donations to help customers find you again in the future. Please drop off donations at the office or at the South Park Info Booth.

M.V.P. Message

Member. Volunteer. Partner.

The Park Blocks/Town Square project has begun! Public comments will be sought and we want lots of them to be from our members. The first public meeting will be May 22 (5:30pm at Whirled Pies) but before that, representatives from Cameron McCarthy and Cogito will be at the market to meet and talk with you. Because a remodel will involve every one of us, your Park Blocks Team has been advocating for minimal changes. We have let the City and architects know that we do not choose to relocate for any of this to happen. Smoother concrete, removal of some barriers to sightlines such as the high wall on the SW corner, and improvements to accessibility are among the expected alterations. Landscaping will be part of the plans. Mature trees could be replaced with younger ones. We'd like the streets to stay open for our customers and members to get to us.

The Town Square will be built for the next 50 years, and is coordinated with the City Hall and Farmers' Market improvements on the northwest block across 8th. Improvements are slated to happen before summer 2021. What the public wants will be a big part of what is built, with the focus on flexibility for use of the space by the whole community. It should generate lots of attention for the space, and for the Market.

Want to know more? Sign up for the Task Force emails by messaging Diane McWhorter at dmcwho@efn.org. The Town Square will be a central gathering space, as we have proven it can be, so let's help the city and the architects see how much we love it and need our home to continue to work for us. It will be essential for a lot of us to speak clearly and at the right times, so stay tuned, be informed, and help your staff and Board guide us through the process by participating!

Joe Blakely's Latest Book Release Sasquatch - Ken Coon

The latest addition to Joe's bibliography is now available! Here's a synopsis:

"According to the late Ken Coon, Bigfoot lurks in the mountains of the Pacific Northwest in the United States. It defies logic why this creature has never been photographed. Yet people swear to have seen him. People have made plaster casts of his footprints. Some of them swear to have been so near Bigfoot they could smell him.

Even though Mr. Coon never saw Bigfoot, he was convinced that Bigfoot was real. He had interviewed many people who had seen Bigfoot; he had examined hundreds of footprint casts; and had personally seen actual footprints left by the monster. Mr. Coon worked with most of the well-known Bigfoot researchers from the 1950s, 1960s and 1970s-the decades when many Bigfoot sightings were made. This is his story..."

JJ's Community Corner

Hello all! Welcome to this beautiful Saturday at the Market!
Tuesday Market starts this Tuesday, May 7th on the East Park Block. Check-in is 8:30-9:00am. The hours are 10am-3pm. I'll be down there to help you get your space and envelope. The fee is \$5.00 plus 10% of sales. I will be back to pick up envelopes at 2:45pm. Please be sure to have your booths properly weighted and your fire extinguisher on hand.
The Info Booth on Tuesday is for Farmer's Market members only. Make sure that you have your change for the day. If you find that you have a "change emergency", please call the office to see if we have change to assist you with. We do not run credit cards on Tuesday.
Parking is tight on Tuesdays, and the Farmers Market has priority both before and after the Market. They have large trucks that need to drive onto and off of the block. We are their guests on Tuesdays, and we appreciate you being a good neighbor. Do not park along Oak Street. You may park around the Park Blocks on the one-way Park Streets and on 8th Street on the West Block. Saturday loading and unloading rules apply. In the morning unload your belongings and then park your car. In the afternoon pack up your belongings and then retrieve your car. The meters around the Park Blocks and the parking garages are not free on Tuesdays.
I'm really excited to be involved with the Tuesday Market, and I'm looking forward to you increasing your weekly sales and weekday customer exposure! Give me a call or email me if you have any questions or concerns. jenniferhendrix@eugenessaturdaymarket.org 541-686-8885 ext. 102. I'll see you on Tuesday!
