Here's Your Holiday Market Application

Thank you for your interest in Saturday Market's Holiday Market. We hope that all your Market days will be successful! Please review the contents of this packet, and don't hesitate to contact the office, 541-686-8885, if you have further questions.

In the packet you will find a Holiday Market Application and a Saturday Market membership application. Please read them, fill them out and sign them. You may return them, with payment, in the mail or bring them to the office as soon as possible.

You will also find the Holiday Market rules, regulations and contract provisions and the Saturday Market Membership Agreement. Review these and keep them for future reference.

The Holiday Market Booth Allocation Process

Waiting for the Market's phone call to pick a space will be easier if you understand the process:

1. Booth Holder of Record and Returning Member Applications are returned by July 24, 2010.
2. Booth Holder of Record applications are processed, then we can tell which spaces will be available.
3. Current Members who have sent in their application are contacted, in HM point order, to pick their dates and spaces. (Generally starting the first week of August)

4. After current Market members have chosen their spaces, new members are contacted in the order in which we receive their applications. (Generally starting in September)

Please note, your membership and fee payment checks/charges will not be deposited until you have agreed upon a space with Market staff.

Holiday Market's Holiday Hall

Holiday Hall is located in the meeting room just south of the Main Hall. This room has 4'x4' booths, 4'x8' booths as well as 8'x8' booths. There are windows, carpeting and each 8'x8' booth is a corner booth. All of these booths are offered at a reduced rate. See the Holiday Hall map for details.

New Member Orientation

Market staff will be holding two New Member orientations, on Thursday October 21 and Thursday October 28 at 5 PM at the Market office. It is required that new members attend one of these sessions, to learn basic info that will make your first Holiday Market experience go as smoothly as possible.

Attention New Members - Product Review Required

New Members must participate in a Product Review before they are permitted to sell at Holiday Market, to assure that they meet Saturday Market product guidelines. Once we have assigned you a booth space, we will send you a Product Review form to fill out, and information about where, when and how to get your product approved.

Products are reviewed by the Standards Committee according to the Market's general craft guidelines plus any guidelines for specific craft areas. The general guidelines are:

1. Items must be handmade, or grown or gathered by the market member, a member of their immediate family or a partner in craft.
2. The member contribution to a finished product must outweigh the contribution of any commercial components used in the making of that product. Skills in craftsmanship, as well as creative abilities, ingenuity and design skills are examples of member contribution.

3. The product must meet basic expectations of product life, function and safety.

Guidelines for specific craft areas are published in the Member Information Handbook which is available from the Market office on request or on our website at www.eugen Saturdaymarket.org.

Fire Regulations

The Eugene Fire Marshal rigorously enforces specific regulations for events at the Fairgrounds.

Each craft booth is required to have a 2A10BC (or larger) fire extinguisher, inspected within the last twelve months, readily visible and accessible. Extinguishers must have pins in place with ties and a gauge that reads in the green. You must make sure a pin is in place and secured with a tie. If you find yourself without a pin or tie—talk to a staff member!
Vendors will be held responsible for damages resulting from accidentally discharged extinguishers.

All full wall decorations, side walls and coverings of booths are required to be fire resistant and you must be able to show proof of the requirement. Table coverings and wares are not required to be fire resistant.

All extension cords must be plugged into an approved receptacle and may not be used in series. All extension cords must be of the grounded type - **no small home extension cords.**

No live greens are permitted.

No roofs on booths are permitted.

Please see the included electrical requirements flyer for more details on setting up your lights and other electrical appliances.

What Are Holiday Market Points?

Each day that you sell at Holiday Market, you get a point. These points add up and are combined with Saturday Market and Membership points to determine the order in which members get to pick their Holiday Market space. The points for the 2011 Holiday Market will be determined as follows:

One point for each year of consecutive membership,
PLUS one point for each time you sold at Saturday Market on the Park Blocks during Oct. & Nov. of 2009 (max. 7),
PLUS one point for each time you sold on the Park Blocks during all of 2010 (max. 33),
PLUS one half a point for each time you sold at Holiday Market in 2009 and 2010. (max. 14).

The total maximum points for the 2011 Holiday Market will be 61. Points for the 2011 Holiday Market will be earned by selling during the 2009 & 2010 seasons.

How do you become a Booth Holder of Record?

A Booth Holder of Record gets to keep the same Holiday Market space they had the year before. To be a Booth Holder of Record you must have occupied the Booth Space for more than half of the selling blocks (four or more) during the previous year's Holiday Market and have at least half of the possible Holiday Market points (31 of 61 next year).

What is the \$25 Work Deposit?

All members are required to sign up for a minimum of two hours of work in support of Holiday Market. Shifts include security, cleaning tables, setting up and taking down the Market, etc. Like last year, due to security concerns, the Holiday Market Committee continues the "Security Sweep" shifts. These shifts are designed to sweep customers out of the building after closing. They start at 6:20 PM, and last 30-40 minutes. "Sweepers" are required to do their job on both evenings during the weekend.

You can sign up for your work shift at the Info Booth starting in mid-September, or by calling the office. Only two hours of work are required from each member (i.e. partnership, family).

The \$25 work deposit is added to Holiday Market space fees. This deposit will be credited to your account after the work assignment has been completed. If your fees are already paid in full, you will receive a refund check in January. Members are responsible for signing in at the Market office after completing their task, or will forfeit their deposit.

The work requirement and deposit are waived for members over 65 years old, please let us know if you are eligible.

The Holiday Market Committee

The Holiday Market Committee meets monthly to work on the details of this event. They always welcome new members. If you are interested in working behind the scenes to help make the Holiday Market happen, come to a meeting! Meeting dates are always in the newsletter and on the website, or call the office.

Holiday Market 2010 Rules, Regulations and Contract Provisions

Market Rules

All wares displayed must be handmade by the member. Products must meet all Saturday Market standards and guidelines as outlined in the Member Information Handbook or as stated in any Board approved regulation. All vendors must comply with all applicable local and state fire codes, ordinances, laws and regulations pertaining to health, fire prevention, public safety and all other matters.

Market Membership

All vendors must be current members of Saturday Market in good standing and must sign a 2010 Membership Agreement. Members are responsible for reading the 2010 Membership Agreement and the 2010 Holiday Market Rules, Regulations and Contract Provisions. Any questions regarding any of these provisions should be resolved well in advance of the Holiday Market season.

Booth Assignment

Members agree to occupy the space assigned and to be open and staffed during all regular Market hours. In the event that a member does not occupy an assigned space, the Market is authorized to use that space in the best interest of the Market without any refunds to the member and without releasing the member from any liability. Members agree not to sublet their space or

to employ any sales agents or employees except in compliance with Market rules and regulations. While it is intended that all booth assignments made as a part of the sign-up process will be honored, Saturday Market reserves the right to reassign booth spaces at any time in the best interests of the Market as determined by Market staff and the Board of Directors. The Saturday Market is under no obligation to rent any specific booth space to any specific members in future years. Spaces in future Holiday Market events will be allocated according to policies and guidelines approved by the Board of Directors.

Booth Sizes and Structure

Booth sizes are limited to 4'x4', 4'x8', 6'x8', 8'x8', 10'x8' as indicated on the Holiday Market site map. In no instance will vendors be allowed to exceed the authorized dimensions of the booth space they occupy. **This space limitation includes stock, vendor chairs and any fixtures. No vendor may sit or place a chair in the common aisle space.** Vendors must bring their own structures and seating. All structures and displays must be of sound construction and in good repair. **Major booth construction, i.e. use of power saws, etc., must be done outside the building.** No roof is allowed on any booth structure, in accordance with fire regulations. Booth height is limited to a maximum of 10 ft. in the Main Hall, 8 ft. in Holiday Hall. Signs in the Main Hall may

extend to 12 ft. high. All aisle overhangs must be at least 7 ft. off the ground. Blind space adjoining a booth structure may be used without charge for storage only. Any use of blind space for display or any other purpose will be assessed at one half of the square foot rate for that booth space. **Booth structures MUST BE DISASSEMBLED** before moving from one space to another.

Holiday Hall Guidelines

Holiday Hall booths have special guidelines, due to the room's low ceiling and carpeting: All booths & signs must be no taller than 8 ft.. No sharp booth or table leg ends, to protect the carpet. Nothing at all may be attached to the walls. Windows must not be blocked. All other HM rules and regulations apply as well.

Electricity

Each craft booth is limited to a total of 500 watts of electric power, from a single outlet at the power source. The Fire Marshal requires that your lights and other electrical items be connected to the electricity in a specific way. If they are not properly connected, you WILL NOT be allowed to use them. All booths will be inspected. See the "Important! Electrical Info!" flyer included in this packet for more details.

Fire Regulations

There shall be no flames or any other 'lit' items in the building. This includes, but

Continued on the back

have a portable extinguisher; the minimum size must be a U.L. classification 2A10BC. Extinguishers shall have been serviced within the last 12 months and shall have a current service tag. Extinguishers shall be visible and accessible in the booth at all times. All canopies, full wall decorations and side walls of booths are required to be fire resistant and you must be able to show proof of meeting the requirement. Table coverings and stock are not required to be fire resistant. Wood less than 1/4" thick shall be treated with a flame-retardant coating. No propane tanks are permitted inside the building. Food vendors are not permitted to deep-fry or barbecue any foods inside the building.

Hours of Operation

Selling hours for each Market day are 10 AM–6 PM except for December 24th when the Market closes at 4 PM. In all cases vendors are required to be set up and ready to sell no later than 5 minutes before opening and are not permitted to close their booths until the stated market closing time.

Booth Sharing

Booth spaces may be shared by a maximum of two members. Both vendors must be Market members in good standing. The primary booth holder must assume the responsibility for the payment of all fees. The booth partner must complete a Booth Partner Application and pay \$30 which includes a \$5 processing charge and a \$25 work deposit.

Use of Employees

At Saturday Market the maker is the seller. The use of employees as sellers is limited to ten percent of the total number of Market days attended during the current Market year. For a person selling at all Markets, this privilege would amount to five days for the entire Market season including Holiday Market and Park Block selling days.

Work Deposit

All vendors are required to sign up for a minimum of two hours of work in support of Holiday Market. Shifts include security and security sweep, cleaning tables, setting up and taking down the Market, etc. Contact Market staff to set up your work shift. Only two hours of work are required from each member (i.e. partnership, family). A \$25 work deposit is added to Holiday Market space fees. This deposit will be credited to your account after the work assignment has been completed. If your fees are already paid in full, you will receive a refund check in January. Vendors are responsible for signing in and out at the Market office when completing their task, or will forfeit their deposit. The work requirement and deposit are waived for members over 65 years old.

Loading In and Out

Overnight security is in place between load-

in days and the end of each selling block. **All stock must be removed at the end of each selling block.** For reasons of security, access to the Exhibit Hall before and after hours is limited. Vendors may use the east (back) and south (side) doors. There is no loading in through the front of the building. Vendors may not park in posted restricted areas at any time. This includes the fire lane on the south side of the building. Cars may be towed from these areas. A few carts are available for limited member use. Vendors will not be permitted to load or unload through the front of the Exhibit Hall during Market hours. **The building is not accessible during non-Market days.**

Parking

During the hours that the Market is open all vendors must park in designated vendor parking areas which are located to the east of the Exhibit Hall (in the rear) or over the bridge on the south side of the exhibit hall. Vendor parking is specifically prohibited in the areas directly to the south and the west of the Exhibit Hall. These spaces are for your customers. Cars are vulnerable to break ins, remove all valuables before leaving your vehicle for the day.

Handicapped Parking

Should you require a reserved handicapped space, please contact the office. Indicate whether you need a van accessible space. The Market will issue you a Holiday Market Handicapped Parking Permit which will correspond to a numbered space for the weekend.

Decorations

Vendors are encouraged to festively decorate their booths. Colored or white lights are permitted but they must be secured with insulated staples or tape and they must not come in contact with any metal surface. No cut live greens are permitted. Bring an appropriate fire retardant backdrop to cover up unsightly electrical lines and storage that may be behind your booth space.

Scent and Sound

Vendors whose products have an impact beyond the confines of their booths (scent or sound) are asked to be sensitive to the impact of their products on other vendors and the public and to cooperate with mitigation requests. If mitigation is not successful, the member will be asked to leave.

Radios, TVs and CD Players

The use of radios, CD or DVD players or televisions during market hours is not permitted.

Food Sales

No food of any kind may be sold or given away from any craft space unless they meet all the standards for prepackaged foods as found in the Vendor Information Handbook, and are approved by the Standards Committee.

Hawking

Vendors are not permitted to 'hawk' or otherwise aggressively merchandise their goods.

Supervise Your Children & Teens

If you bring children and/or teenagers with you, it is your responsibility to keep them under your direct care. Do not let them freely roam the Market, even during times when the Market is not open to the public. They should be restricted to your booth area and not hinder or disturb other vendors' businesses.

Smoking

There is no smoking of any kind permitted anywhere in the Exhibit Hall. Vendors are not permitted to use the areas in front of public entrances as smoking areas. Approved vendor smoking areas are located only on the east side of the Exhibit Hall.

Optional Day Off

Any member who signs up for and pays for all fourteen selling days of Holiday Market is entitled to take any one of those days off provided that a letter is submitted to the Board of Directors by October 15 and subsequently approved and that booth and all stock is removed for the day off. Members choosing this option will not be entitled to any refund of fees.

Disciplinary Action

Violations of Saturday Market or Holiday Market rules and regulations are subject to disciplinary action. If a Market rule is blatantly disregarded by a Member, they will be issued one written warning from the Market Manager. Subsequent violations of the same rule will result in loss of one point from the Member's record per violation.

Cancellations

Exhibitors canceling by November 1, 2010 are entitled to a refund of all booth fees paid in excess of \$25. Exhibitors canceling after November 1, 2010 are not entitled to any refund. In case of special circumstances, members may apply for partial or full refunds to the Board of Directors.

Attendance one time per month in the reserved space and a minimum of nine times per season is required for all reserve holders. Reserved spaces not claimed by their reserve holders by 8:30 AM on the day of Market will be made available to other Market members. Reserved booth spaces are reserved on seasonal basis, and paid for monthly (\$19/month) or seasonally (\$140.00/season) by those Vendors who have been assigned a reserved space.

For each Market day hereafter that Saturday Market grants use of a Market space to the Member, the terms of this agreement shall be effective. Saturday Market shall have no obligation to hereafter grant such a permit.

THE FOLLOWING SHALL IN ALL CASES BE BINDING UPON THE PARTIES:

1. This permit is valid only for the 2010 Market season. (April 2010 - March 2011)
2. Saturday Market intends to and expects The Member to comply with all local, state, federal and special statutes or ordinances regarding public health, safety and welfare, and to use Market space in a reasonable and non-offensive manner subject to rules and regulations of Saturday Market in effect on date of use.
3. The Member may construct a structure in accord with the size and safety specifications as found in the current Saturday Market Vendor Information Handbook. The Member shall, at all times, ensure that such structure shall not encroach upon or obstruct public walkways or open-space areas. The Member shall promptly remove any offensive structure upon request of Market staff.
4. The Member shall not use any bottled gas, electrical devices, or hazardous materials without prior approval by Saturday Market. The Member shall not injure or in any way deface the Market premises and shall not cause or permit anything to be done whereby such premises may in any manner be injured or defaced. The Member shall indemnify and hold Saturday Market harmless from all damages for injury to the premises caused or permitted by the Member.
5. Saturday Market assumes no responsibility whatever for any Member property placed upon the Market premises. The Member agrees to indemnify Saturday Market against all loss and damage to the Member's property sustained by reason of occupancy by the Member of the premises or any portion hereof.
6. Should The Member at any time occupy the premises in a manner contrary to this agreement or any rules and regulations of Saturday Market, or in any manner which is hazardous or offensive the public or other Members, upon request of staff, the Member shall immediately cease such conduct. Failure to immediately conform one's conduct as requested shall be cause for revocation of this permit. Upon revocation, the Member shall promptly vacate the premises. Upon failure to vacate, Saturday Market is authorized to remove all property of the Member from premises at the Member's expense. Saturday Market is relieved and discharged from all loss of damage occasioned by such removal, and shall not be responsible for safekeeping of property so removed.
7. Failure or delay of Saturday Market to require performance of any provision of this agreement shall not limit the right to later enforce that or any other provision.
8. If suit or action is brought to enforce any terms of this agreement, the prevailing party shall be entitled to recover from the party attorney's fees and related expenses at trial or on appeal.
9. This Agreement by reference includes the provisions contained within the current Vendor Information Handbook and related Saturday Market literature. Such provisions may be periodically revised by the Saturday Market Board of Directors during the Market season. It is the responsibility of the member to be aware of and comply with all Saturday Market rules and regulations.

2. Craft Information

All products must be screened and accepted by the Standards Committee before being sold at Saturday Market. The products are reviewed according to the general craft guidelines plus any guidelines for specific craft areas as defined in the Member Information Handbook. Combined Market Orientation and Standards screenings take place at the Market office at 3 PM on the first and third Wednesdays in April and May, and at 3:30 PM on the first and third Wednesdays, June through October. You can appear in person, or drop off examples of your products and a completed New Product Screening Form in advance.

The general craft guidelines are:

1. Items must be handmade, or grown or gathered by the market member, a member of their immediate family or a partner in craft.
2. The member contribution to a finished product must outweigh the contribution of any commercial components used in the making of that product. Skills in craftsmanship, as well as creative abilities, ingenuity and design skills are examples of member contribution.
3. The product must meet basic expectations of product life, function and safety.

Additional guidelines are published in the Member Information Handbook which is available from the Market office on request or on the Market website at www.eugenesaturdaymarket.org.

3. Additional Sellers (partners or family members)

Who Can Sell? At Saturday Market, the Maker is the Seller. The only persons who may sell at Saturday Market besides the maker him/herself are:

- Family members, defined as anyone living in the same economic unit with you or any legal relative of yours living in Oregon.

- Partners in crafting who actually participate in the making of your handmade item on a day to day basis.

Only persons who meet these guidelines may be listed as additional sellers and may sell in your booth as a part of this membership. Any wares produced outside of Oregon can only be sold by the maker.

Employees who are paid wages to sell or manufacture are not eligible to be listed as partners or additional sellers, and may not sell at Market in your absence without advance written notice to Market staff, and only under limited circumstances.

If you intend to share your space with craftspersons who are unrelated to either you or your product, they are not additional sellers. They must be members of Saturday Market in their own right to share your space.

F.Y.I. — Market Dues and Fees

Each member of Saturday Market pays an annual membership fee of \$40.00 to help pay for the administrative costs of the Market. This fee is paid before a member is permitted to sell.

In addition, each member selling on the Park Blocks pays a space fee plus 10% of gross sales at the end of each selling day. The daily cost for an 8' x 8' space on the Park Blocks is \$10 plus 10% of your gross sales. 4' x 4' mini spaces are \$5 plus 10% and a limited number of strolling spaces are \$2.50 plus 10%. We only provide the space; you must bring along any booth, display fixtures or other items that you require. The weekly selling fee helps to pay for the weekly site expenses of running the Market. All daily fees must be paid before noon on the Wednesday after Market.

Your membership also entitles you to sell at other events that the Market sponsors, on a space available basis. As a current member you will also receive all Market mailings and can vote in our semi-annual elections. You are also eligible for membership services that can help you improve your business skills and find resources to make your business successful.
