Saturday Market

MARKETPLACE • COMMUNITY • CELEBRATION

From Kirsten

Good Morning Saturday Marketers!

What a wonderful Saturday we had last week. The weather was great and the attendance by vendors and visitors was excellent. I tried to meet as many of you as I could, but definitely didn't make it to everyone. If you see me roaming around, please stop me and say hello. It is my goal to get to know each of you.

There were a few issues with buskers last Saturday. Hopefully we won't experience the same problems this week, but if we do and you see a violation, please let me know. The Standards Committee and the Board of Directors will be taking up the buskers issue at their next meetings. If you have input, questions or concerns, please let me know so I can share them at these meetings.

You all do an incredible job in helping keep the market a safe and inviting place for visitors.

The weather is expected to be hot today so stay hydrated! We are here if you need anything.

Happy Selling!

Kirsten

Hi From Jake

Happy Saturday, Marketeers! I'm Jacob (Jake) Strouckel, the new Marketing & Promotions Manager, and I'm delighted to get to be part of this amazing group.

I'm a through-and-through Eugenic, living here, off and on, since late 1996. I grew up around the market, helping my grandmother sell her bags for a few seasons, and I don't miss a Saturday as an adult.

My intent as part of the Saturday Market family is to make sure that others see what I see: Talented artists, creating across a variety of media, sharing their craft with the community. Change is scary, and I promise to not shock the system with too many drastic changes. Kim has been an outstanding Promotions Manager for years, and I hope to live up to her, and your, top-notch standards. :)

See you all at the Market and online throughout the year.

Jake

Committee Updates

The Standards Committee met on Wednesday. In addition to screening several new products, the need for additional committee members was discussed. The next meeting will be on August 16 at 5 PM, discussing busker registrations.

New member orientation and standards screenings are coming up on Aug. 2 & 16. Orientation runs from 3:30-4 PM, and screenings go from 4:15-5 PM.

The Street Team will be meeting on Friday at 12 PM in the Market Conference Room. The full committee schedule is on the other side!

Extreme Weather Policy Task Force

The Extreme Weather Policy Task Force meets this Wednesday, July 26th, 9-10am, at the Saturday Market office. Agenda includes drafting recommendations to the Board regarding policy, and protocols for extreme weather days at the Market. *All are welcome to attend.*

Good Neighbor Hint

When you set up your booth, plan it so you can exit without going through your neighbor's booth. Even if their space looks wide open, you can accidentally knock something over, step on things, or interrupt a sale.

Be aware of your surroundings while having conversations with customers or friends outside your booth. It's easy to accidentally block another craft booth when you're engrossed in a good chat, but you are keeping customers from accessing their products.

We can all benefit from being excellent to each other! Rock on.

Local Events

July 19-23 - Lane County Fair
Aug. 5 - Whitaker Block Party
Aug. 10-13 - Scandinavian Festival

Many of you may know Nolan Blansit. He made unique pottery pieces. Sadly, I am writing because his son Tanner stopped to share news of Nolan's passing, July 10, from AML. Three children and five grandchildren are living on and share his memory with us. If you want to contact Tanner, call 541-520-2566. We were so fortunate to share space and a love of clay at ClaySpace. He is missed and remembered - Clay has a memory. *Katie Swenson*
