From the Office

Hey everyone! We sure hope that you are enjoying this glorious weather. There are quite a few things we would like to touch on, but as always if you have any additional comments, questions, or concerns please do not hesitate to call the office or send us an email: info@eugenesaraturdaymarket.org.

We are so excited for all our international visitors, and Rudi Rudolph, in booth #102, has a brilliant way to help them through the Market. We have designed a few signs that signal bilingual members, so if you speak something other than English feel free to pop over to the Info Booth and pick up a sign, or make your own. We would recommend however that you do not put up a sign unless you are confident in your ability to give directions and sell in that language.

We are currently in the process of preparing Visa Checks. All the checks from the 7/2 Market have been prepared, and we are working our way through the 7/9 Market. We hope that these will be done by next week, and we greatly appreciate everyone’s patience. As stated before, Eugene is hosting thousands of visitors from across the world, so please mask up and look after yourself.

Lane County Public Health has advised us as of July 13th that we all mask up in indoor spaces. We will have masks and gloves at the Info Booth for those that need them.

We have received word from LCFM that they will have approved spaces available at their Sunday Market. Because of the point freeze, we will be filling them on a first come first serve basis. Please see Sonia if you are seriously interested in selling on Sunday or this upcoming Tuesday.

If you have painted your Peace Rocks, please drop them off at the Info Booth or the office as soon as possible. We still have some rocks that can be painted and we will be posting pictures shortly.

There is still time to paint a rock, but please try and have it in the office by July 21st. Also, if you were at Oregon Country Fair, please feel free to send pictures and posts to our official accounts online to be re-shared. You can also email rence@eugenesaraturdaymarket.org with pictures or questions. We sincerely hope that everyone has a great and gentle day!

Happy Selling!
Your Office Staff

From Your Standards Committee

Hello everyone. This week your Standards Co-Chairs would like to discuss logo items. Specifically Saturday Market logo items. Here is the guideline directly from the guidelines handbook.

**Logo Items:**

The Standards Committee must approve any items with the Saturday Market name or logo at a Standards Committee meeting. The item must meet current Saturday Market standards - Market Standards & Craft Specific Guidelines page 8.

Requiring that you bring a Saturday Market logo item to the Standards Committee is to assure that you use the Market logo in an appropriate manner. And yes there have been some inappropriate uses of the logo. The Market encourages you to make an item using the Saturday Market logo.

If you would like to sell and item with your own logo on it you must have designed the the logo yourself. You must bring it to the Standards Committee where it will it can be screened.

One last reminder from us, I have seen a lot of new members using a cash box. I know a cash box makes it seem like you’re an astute business person but for us on the Park Blocks, it is a very tempting item for someone to just run off with. A much safer way to keep your cash is on your person. Whether you keep it in your pocket, in an over-the-shoulder crossbody purse, or a fanny-pack is safer. If you want to consider keeping your cash on your person, there are many members at the Market that make gorgeous vessels to hold your cash. Be it purses, funny packs, or even an apron with pockets. Or even if you have pants with a pocket, that works great too.

The Kareng Fund

The Kareng Fund is an emergency relief fund set up to help low-income, self-employed artisans in Oregon who experience a career-threatening crisis. You can make a donation any time in your envelope at the end of the day. Please “round up” your fees or donate in the line provided. You can also donate directly on the website: http://www.karengfund.org/

The Fund participates in the Amazon Smile program. Just go to smile.amazon.com and search for “Kareng Fund.” Once you select it, all of your purchases will help your fellow artisans in need.

The website is the best place to file an application for a grant. If you are not in a crisis, try the microloan program at Community Lending Works, which partners with Community Foundation of Northwest Oregon. If you select it, all of your purchases will help your fellow artisans in need. You can make a donation any time in your envelope at the info Booth by the end of the day, to the office by Thursday at noon, or e-mail it to us at info@eugenesaturdaymarket.org with “NEWSLETTER” in the subject.
