# Saturday Market

MARKETPLACE • COMMUNITY • CELEBRATION

## From the Office

**Greetings Market Artists!**  
Thank you all so much for all of the hard work this year. We have been through rain, fire, loss, and a few transitional phases, but we are so proud of all that we have done this season. Thanks to everyone who participated in the outdoor markets this season! We still have one more after today, but once Nov. 5th is over, there will be no more outdoor markets until April 2023.

**Holiday Market**  
If anyone has any questions, comments, and or general inquiries involving Holiday Market please get in touch with the office as soon as possible. Those wanting to participate in the Elf Game, just try and make your Elf before opening weekend, and have it be a "shy elf." Just a few more weeks before we move indoors, and we couldn't be more excited!

**Election Time!**  
The Board of Directors will be holding elections in December. If you are interested in being a member of the Board you must turn in your candidate statement/photo to the office no later than Wednesday November 23rd. You must also attend at least one Board meeting. The next two meetings are as follows: Nov. 2nd, 2022 5:15-7:15pm, and Dec. 7th, 2022 5:15-7:15pm. Have a great day full of sales, good food, friends, and laughter!

## Sustainability Corner

After what felt like the never-ending summer, it's finally time to get our yards and gardens prepped for colder weather. This week I will be sharing 10 Fall gardening tips from: [www.thehouseandhomestead.com](http://www.thehouseandhomestead.com). Following these ideas can ensure more productive and healthy plants for next season.

1. Pull out annuals and weeds and add them to your compost. Avoid putting diseased plants in compost, burning them instead. Pulling weeds now can prevent them from going to seed and spreading. Dry and label any seeds you save so you have them for next year.
2. After cleaning up your garden, fertilize your soil with compost, manure, mulch or organic fertilizers. Feeding your soil in the fall provides ample time for fertilizers to break down and release nutrients into the soil before spring.
3. Plant garlic and spring bulbs such as: tulips, daffodils, crocuses, hyacinths and bluebells.
4. Try growing cold-loving greens like kale, collards, bok choy, mustard greens and even lettuce. Be sure to check guidelines for your area and gardening zone to see what you can grow during the winter.
5. Add mulch around perennials, shrubs and trees to help keep roots warm during the cold season. Mulching also helps add nutrients to the soil.
6. Prune perennial woody herbs like sage, thyme, rosemary and oregano back by one-third. More herbaceous perennials or biennial herbs like parsley, mint and chives can be cut down within an inch of the ground. Dry your herbs and use them all winter long!

7. Plant ornamental trees and shrubs (again check your local guidelines for more info).
8. Tidy up and put gardening tools away, including watering cans and hoses to prevent freezing and cracking.
9. Write notes to remember what worked and what did not. You can even take photos or draw a sketch to record where things were planted.
10. Make a plan for next year! It can be fun and helpful to take a little time to evaluate your successes and setbacks, what you loved growing, what you want to add next year and what you can live without to make room for something different.

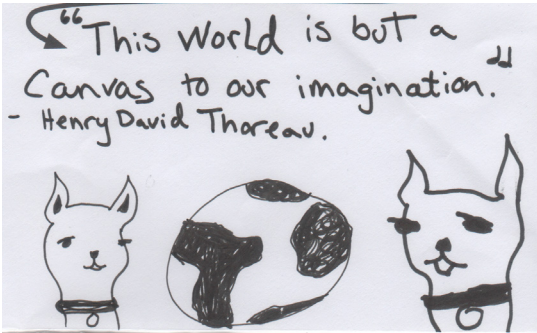

Best,

Brigitte McBride

## Sonia Says

Hello Everyone,  
I'm so close to finishing booking Holiday Market! If anyone has any concerns please call me during our office hours. We still have space in the Holiday Hall, so if you know artists that are looking to get involved let them know we can get them a space even if it's just for one or two weekends. The deadline to cancel with a refund has now past, so if you can't make one of the weekends please let us know so that we can work it out with you. Also if you are interested in getting to know all the Holiday Market tips and rules, we will be having a few more Holiday Market Orientations on Nov. 1st and Nov. 2nd. Tell them to send an email to [info@eugenesaturdaymarket.org](mailto:info@eugenesaturdaymarket.org) for more details. Good luck on this rainy Saturday, and thanks for being here.

Peace & Love,  
Sonia
