# Saturday Market

MARKETPLACE • COMMUNITY • CELEBRATION

## From the Office

Greetings Artisans!  
July brings many new exciting and terrible things! Please keep your spirits high, maintain balance and calm, remember you do love your neighbor even when they are being an Arse, and hydrate.

I WOULD LIKE TO START OFF WITH A BIG APOLOGY TO THE FOOD COURT! Last week I wrote to "pack a sack lunch" in my article because we will be missing half of our food court. My intention was to make sure our customers got their favorite lunch this weekend. Our food court is sooo BOMB I encourage everyone to indulge in the deliciousness! Please celebrate our Food Court Members who are here today at Saturday Market, let them know how grateful we are! I apologize for my careless comments.

- We give heartfelt gratitude to our outgoing Board Members: Damian McDonald and Bekah Zeimetz. Both contributed greatly to our transition and rebuilding of our Market Staff, as well as maintaining our organization in policy, on committee, and with devoted service during their terms on the Board of Directors. If you haven't yet had the opportunity to thank these rockstars, hunt them down today with a big smile and a high five!

- Now, with big shoes to fill, we welcome two new Board Members: Julia Garretson and Jennifer Hoberg. We are excited to have you seated ON the Board on July 12th, 2023!

- Construction is delayed by a week-2 weeks so we will be contacting those members scheduled for relocation over the next couple weeks. WE GOT THIS!

Humbly yours,

Shannon Lee-Hutson

## The Market Corner

Wishing a Happy July Birthday to all our Cancer friends! Happy birthday to Sue of Lavender Moon and Elexess of Luscious Bath Products, who celebrated last Monday, July 3rd. Last Tuesday, July 4th Chere the Pottery Nomad and Sam of Samonberry Studios partied it up birthday style. Today we celebrate the birth of Layli of Sundried Sage Soapery.

*A very happy birthday to you all. We hope this is your best year yet!*

## Help Joe Reach His Goal

My fellow Marketeers, my name is Joe Blakely, I'm an Oregon author. In September I'll be 84 years old. Despite the aches and pains of old age

I have set a goal for myself that I'd like to share with you. My dream this year is to sell 2023 books in the year 2023. When reached it will be the most books I've ever sold in a year.

Please feel free to ask me, "How many books have you sold so far Joe?" Currently I've sold 651 books. 10% discount for market vendors plus a free gift card.

-Ol' Joe

## Never Trust the Wind

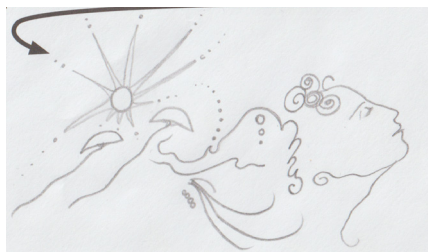

I do not enjoy lugging booth weights to and fro... But am so glad for the service weights provide to keep my booth from becoming aloft; but how does one accept the fickle teasing wind and it's Wiley ways?!

I had almost wrapped all of my porcelain pieces. Began with large items and was getting several into a box when one singular gust came up and wrenched my large display unit of shelves loose (despite it having 2 clamps holding it securely in place) and just before it fell to the ground I was able to snatch the singular rather expensive unique sculpture straight from the shelf! I held it while witnessing the whole unit crash to the ground. The clamps were still in place. The wind had ripped the unit free from it's wood base. Only one bowl had remained on the shelf. Naturally it broke after hitting cement. The loss was small compared to what it could have been. It made me reflect upon how risky outdoor markets are for ceramic, glass and other breakables. It also gave me a strong appreciation for my weights that held the booth to the ground.

Sharing this as a testimonial to the importance of putting safety first. The outcome could have been far worse.
