Saturday Market

MARKETPLACE • COMMUNITY • CELEBRATION

From the Office

Greetings Artisans!
Welcome to the Saturday Market Construction Zone Party! The 8th Street Construction has officially begun on Saturday Market side. Sonia and I have called and relocated the Members we feel will be affected negatively by the construction. Wildish does a pretty good job of cleaning up and setting us up for Saturdays, but if there are any hazards near you, please inform staff immediately so we can try and find a solution. You can visit us in the office and try out our new doorbell too! We have installed a doorbell near our front entrance.

The top layer of asphalt has been removed all along 8th Street. The current construction is happening along 8th Street and the corners (hopefully 1 at a time) on the West Block. They have stated 2-3 weeks to finish the West Block, so please prepare for 4-5 weeks. **There is NO loading/unloading along 8th Street on the West Block during this time.**

After the West Block, construction will move over to the East Block in late August. **There IS limited loading/unloading along 8th currently until Construction begins.**

I have added 2 temporary/permanent asphalt ramps for food court access, one along 8th Street and an additional access point mid-block on Oak Street. **During active construction there will be NO loading/unloading along 8th Street or the corners.** We will relocate all the vendors affected during this time. Early-bird craft vendors along Oak Street will have to be aware of Food Court traffic during construction and hit snooze on their alarm clocks. :)

We have so much chaos during this Downtown Development Project, please remember to be kind to one another. Make one person smile today and you can feel the tension ease within... I challenge you all to create three smiles today! Have a wonderful day!

With Dust in My Hair,
Shannon Lee-Hutson

Gift Certificates

For those that don't know, we offer Saturday Market Gift Certificates. They come in two denominations, \$10 and \$25 and could be used at Saturday Market and Holiday Market. If you haven't seen one before, feel free to stop by the Info Booth.

When a customer presents you with one, check the back to make sure there is no date on it. These certificates are to be treated like cash, and can be used to pay your booth fees. If a customer presents a \$25 gift certificate, but only buys a \$20 item, then you give them back \$5 change. If you have any questions, please don't hesitate to go to the Info Booth.

See Something, Say Something

At Saturday Market, we believe in being a gathering place for people of all sorts. However, because we are open to the general public, some weird things can happen from time to time. If you notice someone or something being weird (outside of the normal weird) then please let a Staff member know, let Site-Crew know, or call (541) 686-8885. We make sure that the office phone is forwarded, and so we are always able to take calls. If the Info Booth is taken down, you can still call that number and/or call out for Site-Crew. When in doubt, you can always call White Bird or 911. Remember to keep your eyes peeled, and if you see something say something.
