Holiday Market 2023 Beverage Booth Application Packet

Thank you for your interest in having a beverage booth at the Saturday Market's Holiday Market. The Saturday Market will be welcoming 3 new beverage booths to our Holiday Hall for the Holiday Market 2023 season only. All the information necessary for application is available on the Saturday Market website at www.eugenesaturdaymarket.org.

Patrons of the Holiday Market are presented with a unique, delicious, and varied eating experience. To this goal, food booths are chosen for quality of food, presentation, originality, and experience of the applicant. Applicants should be engaged in onsite preparation and show food service experience. This applies to the Holiday Hall beverage booths as well. Acceptance will be for a new business opportunity rather than for an existing restaurant.

Fees for a beverage booth space for the entire show is \$1471.00. A list of requirements including the use of sustainable products and attendance are listed in the Saturday Market Food Handbook (available in the Saturday Market office).

Deadline for application is September 29th, 2023. You will be notified of your status via email, or telephone, after the Food Booth Selection Committee meets and reviews applicants. If selected as a finalist, we may schedule Interviews and a taste testing.

Please call Shannon Lee-Hutson at 541-686-8885, if you have any questions.

We thank you sincerely for making the effort to prepare this information and we look forward to meeting with you.

Joy in the Holidays,

Shannon Lee-Hutson
