Aug. 3rd & Looking for Committee Members

Another warm beautiful day here in Eugene, Oregon! The Oregon Country Fair is this weekend, so many of our members will be out in Veneta. That sure does not stop us! It looks like it will be a busy weekend downtown.

The heat is on so, please remember to hydrate and utilize the 2 new water and misting stations. I plan to erect a third misting station, location to be determined (ask at info booth).

Our "Sustainability Rocks Community Block Party" on August 3rd, is just on the horizon. Many people have been inquiring about load in/load out logistics. We will have to schedule times for each neighborhood to load in/out. I will have the be schedule out before July 20th. You will be able to pick it up at the Info booth. If you have not done so already, please call in to reserve your space.

Saturday Market is an extremely unique community in that we are Member led. This means the Members volunteer to serve on the Board of Directors, and on various committees. Our volunteers are actively involved in shaping the future of our organization. Consider joining your favorite committee today! Do you want to have input on the décor of Holiday Market? Are you interested in how our standards are created and maintained? Do you have a passion for recycling? Please volunteer and be an active member shaping the future of the Saturday Market.

Searching for Volunteers,
Shannon Lee-Hutson
General Manager
