August 3rd Party & Angel Donations

Greetings Artisans,

As we get closer to Holiday Market don't forget to get your Holiday Guidebook Ad into Renee or Rachael asap! Last year's guidebook was a beautiful great success.

Also, if you are curious about the Angel Donation program, please ask! It is a great way to give back to your community, as well as the opportunity to help a neighbor.

I know many of you are preparing for our "Sustainability Rocks Community Block Party" on Saturday, August 3rd! Please call Sonia and reserve your space if you have not yet done so. Bringing back our sustainability program back to Saturday Market after COVID is a big deal. We strive to be a model of sustainable practices in our community, and we work hard every day to get there. Your Board, Committees and staff have really done some exceptional work coming out the other side of a world pandemic. Now, let us celebrate!

Be kind to one another and take a pause in your busy schedule to focus on breathing, experience a sunrise, or share a peaceful moment with someone who makes you smile.

Looking for my chill,

Shannon Lee-Hutson
General Manager

Being Resourceful ROCKS!

Something my grandmother taught me is the old art of being RESOURCEFUL. Resourcefulness is defined as: using our wits, proper judgment and common sense to solve problems and meet challenges. We need this skill more than ever to meet the challenge of protecting our environment.

My grandmother was raised a poor farm girl in Missouri, then went on to raise 5 kids with a single paycheck that my hardworking grandfather provided. She didn't really have a choice about being resourceful. She had to save money in whatever way she could. I grew up watching her reuse cereal and bread bags as small garbage bags as well as cooking meals from scratch, and canning vegetables from the garden. She even re-gifted items that she no longer used. Her actions and beliefs are the reason I reuse cereal and bread bags, grow and cook vegetables for our table, and I have lately been re-gifting things.

She would be really proud of me for having worked for the past year with an amazing group of dedicated people (the Sustainability Committee, Market Staff and Site-Crew) to help bring back our durables and trash/recycling programs. However, one person came forward with Shannon's encouragement that provided the final puzzle piece for making these programs possible. I am talking about Morris Shuey, the Market's Lead Recycler. His passion for composting exceeds anyone I've ever met, so if you have questions about the programs, he's the guy. Together with his crew of Christopher and V, they provide the food court with clean, metal forks and sort through the trash/compost. They are the heart and soul of the Market's sustainable practices, so take time to thank them!

To celebrate the Market's commitment to sustainability, we are having our Sustainability Rocks Community Block Party on August 3rd. Customers will be encouraged to learn more about local sustainability practices and organizations, there will be a kid's art table provided by MECCA, and a kid's planting station provided by Market too. There will also be a treasure hunt, where customers will look for artisans with different sustainable practices. These members will be given a special sign for the event. Make sure you communicate with Sonia if you would like to be included on this list of members. Please email me with any questions you may have: goosehillgifts@gmail.com

What's New in Holiday Market 2024

Can you believe it's that time of year already? With time comes change, with change comes progress, which inevitably leads to more change. When it comes to our Market community, your Board, Committees and Staff are always looking to make our Market better and more successful for everyone.

This year there has been a lot of discussion between the Holiday Market Committee, Budget Committee and Board regarding how we can create equity for all booths spaces. Along with a flat fee increase this year, your Board decided to implement the same square footage rate for both halls and all booth spaces. For example, if you have an 8x8 booth in Evergreen Hall, your booth fee will increase a total of \$59 if you sign up for all seven selling blocks. You will see this increase on your postcards.

The equity discussion then turned to booth spaces that benefit from having more than one frontage space (booths with two or three selling sides). It is common practice that art festivals sell these spaces at a premium, because they allow the booth holder to make more money and many of us have enjoyed this additional space, at the same price as our single frontage neighbors. The Board approved an additional charge for booths with two or three frontage spaces.

As always, you are welcome to reach out to Shannon or myself to answer questions you may have about Market finances. The best practice is to reach out by email during the week. I am always available to you at:

Sincerely,
Heather Robbins-Hinton

Holiday Market 2025 - Proposed Map Changes

Everyone is welcome to attend a Town Hall Meeting scheduled for Thursday, August 29, 2024, from 4:30 p.m. to 6:30 p.m. This meeting will focus on proposed map changes for Holiday Market 2025. It will be held at the Farmers Market Pavilion and Plaza located at 85 E. 8th Avenue.

We encourage all members to engage in a constructive dialog about Holiday Market 2025 map changes, discuss ideas, concerns and address any questions or issues you might have.

We will have the opportunity to listen to Dara Robertson and Vincent LaRoche give their proposed map presentations. If you would like to be added to the agenda, to give a map presentation, please contact the Saturday Market Office at (541) 686-8885 and we can add you to the list.

We hope to see you there!

Veronica Gutierrez

The Market Corner

Happy Birthday to all our Summer, Cancer friends! Happy Birthday to Dennis Westfall of Simple Soaps and Pottery and Judy Peterson of Quilted Pics who both celebrate tomorrow! Happy Birthday to Daniel Conan Young of Barbarian Pottery who celebrates this Monday. Happy Birthday to Susan Brethauer of Bright Promise and Happy Birthday Haven Sundstorm of The Blazing Chef who both celebrate on Tuesday. A very Happy Birthday to Barbara Hadad of Catfish Corner who celebrates next Saturday, July 27th.

*A very happy birthday to you all!
We hope that this is your best year yet.*

If we forget your birthday, let us know! We'll be sure to include it in the following newsletter.

We Seriously NEED Your Opinions! Should We Open in March?

The Board is considering opening in March, instead of April, starting in 2026. We would like to know what you think!

As the climate continues to change, there will increasingly be summer and fall days when the heat and/or smoke limits our ability to attract customers. Opening in March would give us more opportunities. March is the new April!

But what about the weather? There's no doubt we have some chilly and rainy days in March. But that hasn't stopped us from being open in October and November. And there is one more hour of daylight in March than in October.

So what do you think? Please let us know. Talk to any Board member (listed on the back of the newsletter), or send an email to Sonia sonia@eugenesaturdaymarket.org and she will collect responses for discussion at our next board meeting. We want to hear from as many people as possible. Thank you!
