# Saturday Market

Marketplace \* Community \* Celebration

## Greetings Artisans!

Last weekend's "Sustainability Rocks Community Block Party" was a great success! We had 241 Members participate and 10 nonprofit/ community partner booths. There was a Kid's Booth learning about recycling and composting. They were able to make their own potted plants out of compost dirt, paper rolled pots and seeds. Craig Butler donated the wooden rolling pins, paper, dirt, seeds and paper pots. Several other Members also donated seeds.

The Sustainability Committee did a wonderful job in organizing this event. A big "Thank you" to all who participated, volunteered, donated their time and or materials! A special shout out to our new Assistant Manager, Veronica Gutierrez, for running the kids' booth and making this event very special.

All in all, the whole event felt wonderful. We had 32 customers that came to the Info Booth to praise our street closure and exciting event. The nonprofits and community partners had a great time being part of Saturday Market's celebration.

Saturday Market best exemplifies the difference between being a **Member** of an organization rather than a **Vendor**. When we look after one another, work in concert with our community, and strive for excellence, we become something more than a just gathering place to sell our art. We sure learned a lot and identified some areas that we could improve.

Please let me know your thoughts on street closures in the future. I, however, am proud and honored to be a part of the Saturday Market Community.

## Booth Numbers

Having booth numbers is really helpful. Before we open, they help non-reserve members find their spots. When customers arrive, booth numbers make it easier for them to locate what they're looking for. Making it easy for customers to find what they are looking for enhances their shopping experience and can lead to more sales and fun for everyone.

While not everyone has to display a booth number, if at least half of us do, it would make a significant difference. Last week, a couple of customers had trouble finding a booth to buy a hair clip. They had the booth number from information but couldn't locate it because our booths are not numbered.

In the future, I hope, that customers will be able to search our website 24/7 to find exactly what they want. Then they can come to the market, make a purchase, and we'll have gained a new, happy customer.

Displaying our booth numbers also helps build our brand, setting us apart as the Saturday Market. A good guideline is 1 inch for every 10 feet of visibility, so if we make our numbers 2-3 inches, they will be easy for customers to spot.

Thank you for posting your booth numbers. I've got your number 370, 349, 334, 155, 138, 134, 124 & 110. Apologies if I missed anyone. The Market has provided some nice laminated cards for this purpose, at the Info Booth. Thanks,

- Craig Butler Space 124

## Frog Update

We have received an update on Frog's health condition and it has not improved. He informed us that he will not be returning to Market anytime soon. He is up for visitors and phone calls. If you would like to get in contact with Frog, please ask at the Info Booth or call the Saturday Market Office.

## Holiday Market Guidebook

Reminder, Holiday Market Guidebook Ad deadline is August 10<sup>th</sup>. Reserve your space today! Guidebook forms are available at the Info Booth. If you have never done a Holiday Market Guidebook Ad, I encourage you to do so! I will have last year's Guidebook available for you to look at in the Info Booth. It is effective, beautiful and quite affordable.

## Missing Points?

Do you think you're missing waitlist points on Saturday morning? Please call the office. We have a list of vendors who may have underpaid or not included details on their envelope, including a small group of no names that may be yours.

So, make sure to call and ask for Silver so you can get your points. You don't want to miss any! Have a wonderful market!

### Materials for Sale

I would like to sell all my things for making superhero capes and masks. Also, the stuff to make flax-seed bags that go in the microwave and freezer. I have lots of patterns. I have three bolts of felt blue, grey and black. A big bag of flaxseed, a big bag of lavender and material for the bags.

I'm asking \$200.00 for all of it or make me an offer.
