**Holiday Market Bookings**

Holiday Market bookings have been set back due to website issues. I am working to get things up and running as soon as possible!

The Booth Holders of Record's deadline is up. If you are a Holiday Market Booth Holder, you **MUST** have gotten the application in already. Non-Booth Holders have until next week to get on the list in points order. After August 20<sup>th</sup> you will go to the bottom of the list!

The map is the same as last year's. Use the map located on our webpage under the For Market Members, then click on "Helpful Member Links". There you will find the Holiday Hall and Evergreen Hall maps. Please make sure you have some form of map (paper copy or the online version) handy when I call you.

As always, you will have 2 hours to call me back before I move on to the next person on the list. I will make announcements about the number of points I am on through e-mail, so check your spam!

**Greetings Artisans!**

Saturday Market would not be possible without all the volunteer time our members devote to this organization. We have many volunteer opportunities for all members and varying levels of participation. Higher, more demanding opportunities are running and serving on the Board of Directors. We also have six Committees and a few work task groups. Consider joining a committee.

Have questions about why your neighbor is allowed to sell their wares? Join Standards and learn about the Standards and Craft Specific Guidelines employed at Saturday Market.

Have great sense of design? Join the Holiday Market Committee and help the Holiday Market look gorgeous.

Concerned about our environmental impact/footprint on Saturday? Join the Sustainability Committee and learn about Saturday Market's sustainable practices.

This organization depends on and appreciates all the wonderful work done by the member volunteers. Thank you.

This month is dedicated to our **Volunteer of the Month, Willy Gibboney ("White Raven Art Works")**, for his dedication to the Standards Committee, the Translation Task Force, and as the Volunteer Co-Coordinator. Thank you, Willy, for stepping up and volunteering your time to Saturday Market. On a personal note, thank you for always lifting my spirits and reminding me to find my smile everyday.

**Drinking Stations**

We are working hard to get the two (2) drinking stations on the Park Blocks to taste better.

Our site crew has added filters and new hoses. We are hopeful that these fixes will improve the taste of the water.

Please let us know if the problem continues.

**Missing Points?**

Do you think you're missing waitlist points on Saturday morning? Please call the office. We have a list of vendors who may have underpaid or not included details on their envelope, including a small group of no names that may be yours.

So, make sure to call and ask for Silver so you can get your points. You don't want to miss any! Have a wonderful market!

**Did You Know...**

- The City of Eugene is named after the founder: Eugene Franklin Skinner who settled in the area in 1840.
- Eugene's moniker is "Track Town, USA".
- The Eugene Saturday Market is a local favorite since 1970.
- The City of Eugene is known for its embrace of Sustainable Practices.
- The Hult Center is a Cultural Gem. There are over 700 events each year.
- The annual track & field Olympic trials are hosted by the City of Eugene.

When we start to feel anxious or depressed, instead of asking, "What do I need to get to be happy?"

The question becomes, "What am I doing to disturb the inner peace that I already have?"
