Greetings Artisans!

Our first October Saturday promises to be a glorious one! We will be celebrating Halloween this year on Saturday, October 26th, 2024. Please dress up and participate in the spooky fun. We are a Trick or Treat designated spot for Cultural Services "Downtown Halloween Celebration".

If you will be handing out candy to the children, please let the office know and we will give you a candy sign for your booth.

Speaking about signs for your booth, it is very important that each member puts their booth number on their booth somewhere that the customers can see. It makes it very difficult to find some of you and a map and booth number really helps.

Reserve members, get creative with your booth number signs. I used to ask my favorite painter to paint me a custom sign when I would get a new reserve space.

Non-reserve members, please utilize the laminated placard we have provided at the Info Booth to write your number on and then reuse it for the next time. A dry erase marker wipes off at the end of the day. Getting Ghoulish,

REMINDER: The Park Blocks Is Closed the Weekend Before Holiday Market

This is just a friendly reminder that Saturday Market will be closed the weekend before Holiday Market begins, which will be Saturday, November 9, 2024. **Please do not set up that day!**

November 2nd will be the last outdoor market.

A Crafty Day in October?

With Holiday Market quickly approaching, we are in need of new / updated holiday decorations. I would be happy to host a day of making Holiday Market crafts to decorate the Evergreen Stage, the Lobby and the Holiday Hallway (between Evergreen and Holiday Halls). I have enough room to store what we create safely until Holiday Market.

If you are interested, I can be available the evening of Sun. Oct. 6th (after 4:30 pm), Oct 7th - 10th, (earlier in the day is better), Oct. 14th - 15th (earlier in the day is better), or Fri. Oct 18th, anytime.

If you want to participate or receive emails about this project, please let me know. Thanks everyone!

- Dara Robertson

Special Notice – New Policy Effective Immediately,

Black Gridwalls for Sale

I have a dozen black gridwalls for sale, 2x6 foot panels for \$20 each. It's enough to fill out an entire 8x8 booth. I also have panel connectors to secure the gridwalls together. I can throw in some hanging hooks or shelves if you could use them. Willing to sell all together or individually.

If you're interested or have any questions come by Booth 306, Paz Méndez Art.

Artist Workspace to Share

Hello, we are opening up some space to rent out to another artist, small business owner. We have an awesome space with big windows and a loading gate. We make hemp clothing here. We deal in fabric bolts, cutting table, sewing, packing and shipping! We're looking for a really great fit, like minded, laid back, yet focused persons only, since it's a shared space! It's not a full retail space, but if you sold similar items we do collaborative pop-up shop days!

Space size is flexible, as we have options and are reorganizing things. 200-500 square foot approximately. Please send us an email introducing yourself, your art/business, what your space needs are, and any links that might help us know you better. Our website is www.sweetskins.com for your review of us! If we feel that you might be a good fit for us, we'll contact you back! mira@sweetskins.com (541) 543-4580 - Mira Fannin
