The General Craft Guidelines Are:

1. Items must be handmade, or grown or gathered by the Market member, or a member of their immediate family living in Oregon.
2. The member contribution to a finished product must outweigh the contribution of any commercial components used in the making of that product. Skills in craftsmanship, as well as creative abilities, ingenuity and design skills are examples of member contribution.
3. The product must meet basic expectations of product life, function and safety.

Additional guidelines are published in the Member Information Handbook which is available from the Market office on request or on the Market website at www.eugenesaturdaymarket.org.

Product Search Keywords

Describe the product(s) that you craft, including any other items not covered by the Craft Category you chose above. Use words that a customer would use when describing your product to Info Booth staff.

3. Additional Sellers (Family Members)

Who Can Sell? At Saturday Market, the Maker is the Seller. The only persons who may sell at Saturday Market besides the maker are family members, defined as anyone living in the same economic unit with you or any legal relative of yours living in Oregon.

Only persons who meet these guidelines may be listed as additional sellers and may sell in your booth as a part of this membership. Any wares produced outside of Oregon can only be sold by the maker.

If you intend to share your space with craftspeople who are unrelated to either you or your product, they are not additional sellers. They must be members of Saturday Market in their own right to share your space.

List below any additional family members who will sell at Market and who meet the Additional Seller criteria:

1. _____ Relationship: _____ Contact Number: _____
2. _____ Relationship: _____ Contact Number: _____
3. _____ Relationship: _____ Contact Number: _____
